- ▶ **Technician License** (For Commercial/Business/Govt./Firm/Organisation/Technical Usage)
- ▶ **Enterprise License** (For Commercial/Business/Govt./Firm/Organisation/Technical Usage)

Apart from these licenses, MacSonik also provides a **Free Demo Version** of Software to evaluate the software performance, but with some restrictions.

Instant Software Support

MacSonik provides online software support for licensed customers only. The software support will resolve by email or online chat. We use to get back to the user within 24 Business Hours. We provide free Technical Support from the date of purchase. The Software support of MacSonik has some restrictions like:

For Home License:- The software support is free for one year. To get additional assistance on Home Licence, you have to pay an additional fee applicable at that time. Other Licences of MacSonik software has the support for Three years from the purchase date.

Limited Warranties and Disclaimer

(A) Exclusive Remedy:

In case of any breach or infringement, as their exclusive remedy and MacSonik' entire responsibility and liability MacSonik will:-

(i) repair or replace the software (ii) if such repair or replacement would in MacSonik' opinion be commercially unreasonable, upon MacSonik' receipt of their written representation and promise that the user has eliminated all instances of the software and will not use the software, refund the amount paid by the user for the relevant software.

(B) Prohibition of Warranty:

The above-confined warranty will not appeal if:-

(i) the software is not practiced in the accordance with this agreement or the documentation, (ii) the software or any part of thereof has been modified by any entity other than MacSonik, and/or (iii) any defect in the software has been caused by any device or software nor supplied by MacSonik.

(C) Disclaimer:

Except for the limited warranty set forth above, the software is provided AS IS and AS AVAILABLE basis, and MacSonik makes no representations or guarantees, and it disclaims all representations, warranties, and conditions, oral or written, express or implied, arising from a course of dealing, course of performance, or usage in trade, or otherwise, including, without modification, proposed warranties of merchantability, fitness for a particular purpose, title, non-violation, or systems alliance. Without restricting the former, MacSonik makes no warranty, representation, or guarantee as to the software's use or performance and does not warrant, represent, or guarantee that the performance of the software will be fail-safe, unending, or clear from flaws or shortcomings of that the software will preserve against all feasible menaces.

(D) Major Risks Systems Terms:

MacSonik has no responsibility for, and the user will indemnify and hold harmless MacSonik from, all claims, suits, demands, and proceedings alleging, or in a high-risk system, including, without limitation, those that could have been prevented by the deployment of fail safe or fault-tolerant features to the high-risk system.
